You didn't expect the Elders to side with me, did you?

Wh-What did you do to the Elders?!

What do you mean? I didn't do anything to them. They just understood that my plan is for the future of the Main Family.
KUKUKU
Did you expect me to be punished because I abandoned Yu-jung and Yun-ju?
Kughh...

You naive idiot. What do you think will happen to the Main Family otherwise? They have no choice but to choose me!
Y-You coward! Where is Yu-jung?!
Ah... Yu-jung... Because you ran your mouth, it seems I'll need to punish him, don't I?

It's better for you to shut your mouth now. If you say anything any more, I'll have to kill Yu-jung.
I have a bright future ahead of me. Why can't you understand that there is peace in the road I'm taking?
Try to look at the bigger picture. You'll understand someday.
I'm the only one who can do this, and I'll stop at nothing to bring peace to Murim.

I'm here for training, Elders!

Kuku.... Back already you black one.

Had the future of Murim not been at stake, we would've killed you on spot and publically shamed you.
I understand, Elder! But my loyalty for the Main Family does not change!
Yes. You need the Main Family, and the Main Family needs you for now...

Let us start training! We'll turn you into the greatest master!
